

## ART FOUNDRY METAL FINISHER

**BronzeAge Art Casting in Sioux Falls, SD** is seeking a metal finisher to work an average of 25-40 hours each week to join our busy, creative team. We are looking to HIRE IMMEDIATELY.

### SUMMARY:

Learn the bronze casting process and be part of a creative team that makes molds and casts bronze sculptures for some of the region's best-known sculptors.

### DUTIES AND RESPONSIBILITIES:

- Work in metal finishing grinding and texturing weld seams on small and monumental bronzes.
- Assist with bronze pours, sandblasting and other finish work as necessary.
- Maintain accurate records of labor hours spent on each project.
- Occasionally assist with sculpture cleaning and other tasks at foundry and off site.

### REQUIRED SKILLS AND ABILITIES:

- Attention to detail.
- Quick at physical tasks and efficient with time.
- Experience with air and power tools is a plus.
- Creative problem solver curious about how things work.
- Good eye for 3-D, sculpture and form.
- Prefer experience in hands-on activities: arts, crafts, carpentry, stained glass, etc..
- Good with time management and organization skills.
- Valid Driver's License and vehicle.

### PHYSICAL DEMANDS:

Position involves sitting, bending, lifting, carrying, and also moving around. Must be able to occasionally lift and carry up to 60lbs. Must be able to lift up to 20lbs to shoulder height.

### SCHEDULE AND COMPENSATION:

The preferred schedule is Monday-Friday during the day -OR- late afternoon into evening depending on candidate's availability. Weekends hours sometimes are an option. Compensation: negotiable based on experience. Rate increases after 60 days based on performance. Very flexible schedule.
