

Application for DC Gallery 2017 Emerging Artist Program

The Sioux Falls Design Center is currently developing a program to feature South Dakota's emerging artists in our DC Gallery three to four times per year. We see an emerging artist as being someone whom has not shown in professional galleries before and can be any age. A reception will be held on the first Friday of the month, and the work will be featured for that month.

SFDC guidelines:

- DC Gallery capacity is 5 – 20 2D images (3D work can be included but is limited due to space constraints)
- Artist resume, one paragraph artistic statement about the displayed work and price list if applicable is required
- Installation/decommission is done by the artist
- Public reception hosted by SFDC on First Friday (other receptions optional by rental agreement, contact Kellen Boice, Director)
- Artists are required to provide a 20x20 presentation (see pechakucha.org) during the reception/Pecha Kucha Night event
- Artwork is not covered by SFDC insurance, art is displayed at the artist's risk
- SFDC does not coordinate or facilitate sales and does not charge commission

If interested, submit the application and requested information for consideration to kellen@siouxfallsdesigncenter.org or a printed version at the SFDC 108 W 11th St per the following schedule:
