

CALL FOR ARTISTS

We're currently in the process of making room for new work here in the gallery. With our space opening up, we are looking for both emerging and established artists to represent.

As a local business, we are interested in creating space for artists who demonstrate a commitment to helping the art community thrive in Sioux Falls.

If you are interested in showcasing your work at Piper Custom Framing & Fine Art Gallery please contact us at 605.336.0346 or email rayna@pipercustomframing.com to set up a time to meet.
